Dear

Coronavirus in Bath & North East Somerset

Cases are rising locally and there is a clear danger of local lockdown unless we act. At the time of writing, Bath & North East Somerset is on medium alert level but there is a real chance we will be subject to higher level restrictions unless we:

- ✓ Follow **all the rules**, including on hand-washing, face coverings, social distancing, and gatherings. Remember- Hands: Face: Space.
- ✓ If we have symptoms, **self-isolate** and book a test on 119 or online at nhs.uk/coronavirus
- ✓ Follow instructions from **Test and Trace**

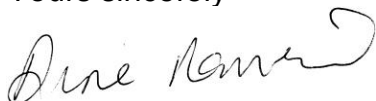

To control the virus, we need to get information out quickly. If you have internet access, please sign up to our e-newsletter and social media using our checklist overleaf. There is also other information for you to keep, including how to get help if you are self-isolating.

Along with Covid-19, Flu can also lead to serious health complications and even death. This year, it's more important than ever that you have a free NHS vaccination if you are eligible. Getting vaccinated not only protects you but also those around you. Check www.nhs.uk or speak to your doctor or pharmacist to see whether you are eligible, and to book a vaccination.

If you need any of this information in another format, or in another language, let us know on 01225 394041 or email council_connect@bathnes.gov.uk.

More information can also be found on our website www.bathnes.gov.uk/coronavirus. Please pass information on to others who may need help and support or do not have digital access.

Yours sincerely

CLlr Dine Romero
Leader
Bath & North East Somerset Council

Will Godfrey
Chief Executive
Bath & North East Somerset Council
